

Iron County Register

IRONTON, MO. - FEB. 24, 1910.

E. D. AKE, EDITOR.

VOLUME XLIII. NUMBER 37

OUR fathers builded wiser than they knew. How thankful, in view of recent experience, every true Missourian should be that a governor of our great state cannot succeed himself.

MR. JAMES M. SEIBERT, on the 17th inst., was appointed General Agent, Passenger Department of the Mo. Pac. R'y, St. Louis. His many friends rejoice at his promotion, deserved by ability and faithful service.

WE should like to hear from the Democratic papers of this circuit on the candidacy of Sam Byrns for Circuit Judge. If Mr. Byrns, under the circumstances, is to be even considered, we had just as well abandon the party organization. Speak up, brethren! Let's hear your views.

I NOTE that some prominent and intelligent people are beginning to "kick" at the outrageous oleomargarine law. They are late, but welcome. The REGISTER put in its denunciation more than fifteen years ago, and honored Senator Vest because he refused to vote for the law in defiance of the foolish dictum of a Missouri Legislature of so-called Democrats.

Do you remember how the Republicans "pooh-poohed" the assertion made in the campaign of 1908 that the election of Hadley would mean mixed schools in Missouri? And yet that very thing has come to pass, and the Attorney General has had to threaten the school officials of Unionville with prosecution if they do not take the colored children out of the white school.

I LEARN that Wm. T. O'Neal has been made a member of the Democratic Central Committee of St. Francois county. Well, I have just this to say to my Democratic friends in St. Francois: If every other member of the committee works as tirelessly and enthusiastically for Democratic success this year as Mr. O'Neal will, there will be "little doin'" for the Republicans in St. Francois county the coming election.

Of wind, and rain, and slush, this week, we have had an over dash.

The deepest snow fell here on Wednesday and Thursday that we have had for years. Old residents say '65. It was from twelve to sixteen inches, to four and five feet deep where it drifted. The public school closed Wednesday until the storm subsided.

H. L. Bell is on the sick list. We hope he will soon be up and about again.

Wm. Johnson met with a very painful accident one day last week. While driving a wagon, his foot was caught by a stump, almost breaking his right leg, but he is getting along all right now. Dr. Meadows is treating the bruised limb.

The little son of Mr. and Mrs. James Edmonds has been very ill, but is some better at this writing.

There is one case of smallpox at Graniteville.

Mrs. Wm. Townsend is visiting relatives at Poplar Bluff.

All business and schools so far, is getting about with teams or horseback on account of such drifts, but the good old REGISTER comes each week, and is always welcome. Many good wishes to it!

Lesterville Items.

Twenty-four below zero here Friday morning, and about ten inches of snow, this being the coldest weather since 1899.

Chas. Good, who has been suffering with rheumatism for several months, left Sunday morning for St. Louis, to take treatment for

the disease, and thinks even this slight change of climate may be beneficial to him, and his many friends hope he will be benefited by the change.

At a recent meeting of the Farmers Mutual Telephone Company, it was decided that the Middle Fork and East Fork companies, which were consolidated some time ago, should again separate. The meeting was called for the election of officers for the ensuing year, and also for consideration of the proposition of extending the lines to Centerville and Sabula or Annapolis, where connection could be had with the Bell Company, but the meeting not being entirely harmonious, the above dissolution was decided upon.

A protracted meeting is being held at the Baptist church, under the leadership of Rev. Jacob Goodson, but owing to the severe weather of the past week, the attendance has not been large.

Matthew Dinkins, wife and daughters, visited at M. E. Goggin's recently.

James Dinkins and his son Roy, expect to leave Monday or Tuesday, for Spokane, Washington, where two sons of Mr. Dinkins are located.

Owing to the severe weather, the hub mill of the White & Hummel Mfg. Co. was obliged to shut down Friday, a very uncommon thing for this busy concern which has hardly missed a day's run for the past year.

Our bank closed early Saturday, the Cashier, together with Mr. W. I. Bays, going to Caledonia on business. HUBITE.
